

# Corporate Sponsorship

---

“Made For Home” Corporate Sponsors change the lives of children who are in desperate need of a strong family. These sponsors help Promise686 to engage passionate, long-term partners who together impact over 1000 children annually.

*We invite you to invest in the promise of home for every child.*

All sponsors receive preferred seating and corporate listings on the Promise686 website and in pre-event communication, as well as corporate visibility during the benefit as follows:

**MADE FOR HOME**  
10.20 @ FACTORY ATLANTA

## **Visionary | \$25,000**

Visionaries foresee a day when every child who comes into care in the U.S. foster care system will have immediate access to a safe, loving family. They invest in this vision believing that Promise686 is poised to influence child welfare on the whole by providing and supporting the scarcest asset—families. These top sponsors will be highlighted through premier visibility at “Made For Home” and all event communication. Additionally, these companies will be the branded hosts of our stage. As a “thank you, Visionary Sponsors will also receive a commemorative “Made for Home” gift and enjoy, at their table, a selection of fine wine donated by Crafted Brands, a sponsoring distributor of boutique wines. **16 seats** (2 tables) are included with sponsorship.

## **Movement Maker | \$10,000**

These leading companies have the opportunity to highlight the “journey home” of at-risk children by sponsoring our Promise Gallery. The gallery will be, second to the stage area, the most visible display during the evening and will visually depict the movement that is underway to find and support families for orphans and vulnerable children. Along with gallery sponsorship, high visibility in all event communication and **8 seats** (1 table) are included.

## **Innovator | \$5,000**

Innovators understand the value of customized tools and targeted resources in creating and sustaining a viable multi-county and multi-state movement in response to the crisis in child welfare. Innovators will be highlighted as sponsors of our Silent Auction and Reception. **8 seats** (1 table) are included with sponsorship.

## **Architect | \$2,500**

Architects, like Promise686, design comprehensive solutions to impact the complicated realm of child welfare. These sponsors will help to underwrite the evening’s provisions and will be featured in one place everyone will be—the buffet area! **4 seats** are included with sponsorship.

## **Implementer | \$1,000**

To solve the crisis in child welfare, this movement needs a critical mass of Implementers taking action on behalf of children in need. As a “Made For Home” sponsor, your investment is a simple action that will bring care to hurting children and will equip communities and families to receive children into their lives. Your company name will be among the first seen at the event as our guests are welcomed at the Valet area. Implementer Sponsors receive **2 seats**.

## Corporate Sponsorship

“Made For Home”
