

CORPORATE SPONSORSHIP

“Made For Home, at Home” Corporate Sponsors change the lives of children who are in desperate need of a strong family. These sponsors help Promise686 to engage passionate, long-term partners who, together, now impact thousands of children.

WE INVITE YOU TO INVEST IN THE PROMISE OF HOME FOR EVERY CHILD.

All sponsors receive corporate listings on the Promise686 website, as well as additional visibility based on the level of sponsorship (details below).

THE IMPACT YOU WILL MAKE BY SPONSORING THIS EVENT:

VISIONARY | \$25,000

Visionaries foresee a day when every child who enters the U.S. foster care system will have immediate access to a safe, loving family. They invest in this vision, believing that Promise686 is poised to influence child welfare on the whole by providing and supporting the scarcest asset—**families**.

MOVEMENT MAKER | \$10,000

These leading companies have the opportunity to highlight the “journey home” of at-risk children by helping to recruit and support families for orphans and vulnerable children.

INNOVATOR | \$5,000

Innovators understand the value of customized tools and help develop targeted resources in creating and sustaining a viable multi-county and multi-state movement in response to the child welfare crisis.

ARCHITECT | \$2,500

Architects invest to help Promise design comprehensive solutions to impact the complicated realm of child welfare.

IMPLEMENTER | \$1,000

At this level, sponsors resource the mass of Implementers taking action on behalf of children in need.

At any level of a “Made For Home” sponsor, your investment brings care to at-risk kids and helps provide what vulnerable children need most—strong families.
