

# Engine Plate Instructions

**Please complete this prior to the event on 9/2**

Items Provided:

- Plate
- Brad
- Arrow

Items Needed:

- Blue, green, & red marker or crayon

Instructions:

- Divide the top half of the plate into three equal sections as pictured
- Color the left section blue, middle section green, & right section red
- Insert brad and arrow in position pictured above

Note: You do not need to write on the plate - text pictured in example photo is not necessary.
